Annexure IV to the Directors' Report – Management Discussion and Analysis Report

INDUSTRY

The Company is engaged in the processing of plastic polymers and manufactures Rigid and Flexible PVC films by Calendering process and certain plastic products through extrusion process. Rigid PVC film is largely used for packaging in the Pharmaceutical, Food and FMCG industries. Flexible PVC film and plastic extruded products are used for a variety of industrial and consumer applications. Overall growth rate of the market size is 5% to 7% annually.

The image of the Company, built through decades of quality products and efficient customer service is the major strength of the Company. The Company has a significant share of the Rigid PVC film market and is the Quality Leader in the Flexible PVC film market.

RISKS AND CONCERNS

PVC resin is the most important raw material for the company. Demand for PVC resin in the country has been increasing every year but the domestic capacity has not kept pace with the demand. Further, for certain grades of resin, there is only one manufacturer in India. Hence any disruption in the supply from this source will affect the operations of the company.

There is severe competition in the market for the company's products. The overall capacity in the industry is significantly more than the demand and additional capacity was built during the year.

FINANCIAL PERFORMANCE

Sales for the year was Rs. 174 crores compared to Rs. 141 crores during the previous year. Demand for some products was adversely affected by the economic slowdown during the year. Improved volumes of rigid film and coated film helped achieve higher turnover during the year. This also improved the profitability. Profit before tax for the year was Rs. 512 lakhs showing an increase of 69% over the previous year's profit of Rs. 302 lakhs.

INTERNAL CONTROL SYSTEMS

The Company has proper and adequate internal control systems to ensure that its assets are safeguarded and that transactions are properly authorised, reported and recorded. The Company has also a system of internal audit and management reviews to ensure compliance with the prescribed procedures and authority levels.

HUMAN RESOURCES

The company appreciates the efforts of its dedicated team of employees. Industrial relations were cordial during the year. The number of employees on the roll as on 31st March, 2009 was 365. The Company accords very high priority to safety in all aspects of its operations. The employees are trained in various aspects of safety. Regular safety audits are conducted to ensure high safety standards.

- (i) **Impairment of assets:**
The carrying amount of assets is reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exist, the recoverable amount of the asset is estimated. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating units exceeds its recoverable amount.
- (j) **Taxes on income:**
Tax expense comprises both current and deferred tax at the applicable enacted/substantively enacted rates. Current tax represents the amount of income tax payable/recoverable in respect of the taxable income/loss for the reporting period. Deferred tax represents the effect of timing differences between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent period. Deferred tax assets are recognised only to the extent there is reasonable certainty of realisation in future. Such assets are reviewed as at each Balance Sheet date to reassess realisation.
- (k) **Provisions and Contingencies:**
Provisions are recognised when the Company has a legal and constructive present obligation as a result of past event for which it is probable that outflow of resources will be required and a reliable estimate can be of the amount of the obligation. Contingent liabilities are disclosed when there is a possible obligation that may result in an outflow of resources. Contingent assets are neither recognised nor disclosed.
